

Dear Supporter,

On behalf of everyone at Rhyl Football Club, we would like to thank you for your incredible support during last season's Welsh Premier League campaign.

As you are aware, we were unfortunately relegated last season from the Welsh Premier League, and will be competing in the Huw's Gray Alliance division for the 2017/18 season. Your support is what keeps the club going at these difficult stages.

The club needs your support in order to form a promotion push to get back where we belong. We are confident that although the league will be tough, we will have enough talent at the club to succeed with your support.

To reflect the club's change in circumstances we have reduced the costs of season tickets from last year which also reflects the reduction of 1 home league matches for this season.

As many of you remember the last time that we were in this league we managed to win the league going completely unbeaten throughout, winning the league with an incredible 24 wins and only 6 draws. Hopefully this season we can replicate some of that form by going all out to win the league and gain promotion back to the Welsh Premier League. However, your support is crucial for this club to succeed in reaching are target.

We look forward to seeing and hearing you at the Corbett Sports Stadium for the upcoming season.

Yours Sincerely,

Mike Jones [Managing Director of Rhyl F.C]
